CALIENTE COMEDY BRINGS LAUGHS TO PALM SPRINGS

BY CRYSTAL HARRELL

Adam Levy and Mike Quu

Amid the Coachella Valley's bustling music scene, there has yet to be a broad selection of comedy shows for audiences to enjoy live stand-up performances. Agua Caliente Casino in Palm Springs is bringing a whole new season of shows with celebrity guests and rising talent from the world of comedy.

Caliente Comedy is presented by Comedy Madness located inside the Cascade Lounge at Agua Caliente Casino Palm Springs. For over 10 years, Comedy Madness has produced thousands of shows in North America, including weekly

showcases in Los Angeles at the Comedy Store, Laugh Factory and Ice House Comedy Club. Each show is 90 minutes and features a roster of comedians with appearances on the *Tonight Show*, *Conan*, Netflix, *America's Got Talent*, *Comedy Central*, *Showtime*, and more.

Adam Levy and Mike Quu are co-producers of Caliente Comedy, determined to bring quality, diverse entertainment to the desert scene. Levy and Quu have worked together for years on different programming, starting in 2017 at the Hard Rock in Palm Springs—now the Hotel Zoso.

Quu is the producer of the long-standing show, *Comedy Madness*, and that is how he met Adam while presenting in Palm Springs.

"It was a weekday and I remember thinking to myself, 'There's no way there's people here.' Then I looked and all the seats were filled at *Comedy Madness*. I was so impressed and needed to know who this guy was," reminisced Levy.

Levy then reached out to Quu, explaining that he would like to work with him in the future. They then worked together to bring high-quality, hilarious entertainment to the desert.

"Through all our time working together, now we can really bring that comedy experience to Palm Springs. This is the perfect-sized venue to host Caliente Comedy as it seats between 175 to 200 people. We're bringing the same talent we have from shows in L.A., and now we're introducing them to desert audiences. There hasn't been any real comedy club experience until now so we are aiming to get the word out there," explained Quu.

This is the first time that any of the Agua Caliente Casinos are offering to bring stand-up comedy as an entertainment option on a regular basis. It is also an essential art form to showcase post-pandemic after a year of so much turmoil.

"People want to get out and laugh again. They want to forget all the depressing things that were going on the last 18 months. It's great to bring this season with the opportunity for more laughs and smiles," stated Levy.

This upcoming season of Caliente Comedy includes a star-studded line-up, featuring English actor and stand-up comedian Jeff Leach, Deon Cole of *Black-ish* fame, improv artist Jerry Garcia, Jamie Kennedy from the *Scream* franchise and *The Jamie Kennedy Experiment*, comedian and former host on *E!'s What the Fashion* Justin Martindale, L.A. native Ocean Glapion, hilarious storyteller Craig Conant, impressionist extraordinaire Pablo Francisco, and Kabir Singh from *America's Got Talent*.
